

# MATCHING GRANT SUMMER FUND DRIVE

June 21  
to  
September 21,  
2015

*Help us reach \$10,000 to earn \$20,000!*

*Dear Friends,*

*Once again, our friend and patron Ed Littlefield Jr. has graciously offered to match whatever funds the Harp Guitar Foundation can raise. This is a great opportunity, folks! If we can come up with \$5,000 - Ed's offer will magically turn it into \$10,000. Okay, so maybe it's not magic - but it is math! If we could raise \$10,000, it becomes twice that. Magical or mathematical, with an opportunity like this, we have to try! We're going to try to raise at least \$10,000 this time - which would mean at least \$20,000 for the foundation! The drive starts and ends with summer this year.*

*If you're a fan of the harp guitar, please join us in taking advantage of Ed's generous offer! Any amount helps. And it's tax-deductible too, not a bad thing.*

*All funds raised (by magic or math) go towards achieving the stated goals of the Harp Guitar Foundation, which are laid out on its website. Here they are again:*

The Harp Guitar Foundation is a nonprofit Public Benefit Corporation created to:

- *Serve the world's harp guitar community, including its players, fans, researchers, collectors, restorers and builders*
- *Document and preserve the harp guitar's history*
- *Take the instrument into the future via new players, new music, new instruments and new fans*
